

BULLETIN POLICY

We welcome articles and news items of any type. Topics of interest include, but are not restricted to, items in the following list.

- **News of members.** Don't be shy about sending a photo! Let us know of honours you have received, sabbatical leaves spent in other places, moves from one institution to another.
- **Conferences.** Announcements of upcoming conferences; reports of past conferences.
- **Survey articles.** These are exceptionally useful.
- **Expository articles** concerning some particularly interesting topic or problem.
- **Classroom notes** involving particularly useful presentations.
- **Innovative or elegant ways** of obtaining known results.
- **General interest** research articles.
- **Reviews** of recent significant books.
- **Articles on the history of combinatorics and graph theory.**
- **Articles concerning applications of combinatorics.**
